Vacant - Public Works Engineer
Craig Workman – Public Works Director
Tammy Zamoyski – Community Resiliency Planner
Kevin Fitzgerald – GIS Coordinator
Bree James – Legal Assistant

Future Project List – We did not include cost estimates since those included in the Connect Whitefish Plan are very low. Those estimates need to be updated. The projects listed below would be 10 feet wide shared use paths.

- **Whitefish River Trail - Snowy Mountain** (formerly Dalen Property) – Dedicated as parkland in 2022. What is blocking progress? Funding and adjacent to Les Schwab section.
- **Whitefish River Trail - Goguen Property** (Old Hospital) – Michael and his consultants are in planning process for the property. They are supportive of the path. They have it signed to encourage use of the informal trail. Length = 1,561 ft
- **Whitefish River Trail – Walgreens & Duck Inn** – Length in Connect WF plan (858 + 474 = 1,332 ft) What is blocking progress? The path would be located very close to their building. There has been difficulty negotiating an easement.
