FY 2021

Climate Action Plan

Implementation Goals

Climate Action Plan Implementation Goals For Fiscal Year 2021

The Whitefish City Council approved and adopted the Whitefish Climate Action Plan (CAP) in April 2018. The CAP has two predominant goals, which include reducing city emissions 26% by 2026 compared to the 2016 levels and preparing for the effects of climate change. Each department within the City has identified projects and tasks to complete throughout Fiscal Year 2021 (FY 2021), some of which include specific funding sources identified in the FY 2021 Budget.

Municipal Court

The Municipal Court has successfully implemented an electric filing system—effectively reducing paper waste. The court continues to address the CAP through recycling, energy efficient use of lights, and temperature control. The Emergency Services Center, which houses Municipal Court, Police Department and the Fire Department, will be upgraded to all LED lights (\$90,000) in FY 2021 to reduce operating costs and take steps to meet the goals of the CAP.

Administration

The Human Resources Department, Finance Department, and City Clerk’s office continue to explore ways to reduce the use of paper and decrease waste, including increasing online options for submittals by applicants or vendors and moving toward electronic invoices. During FY 2021, a purchasing policy will be implemented that includes criteria to assist departments in making purchases aligned with the goals of the CAP. The Finance Department, in conjunction with Public Works, will also complete the automatic meter reading project, which will significantly reduce City vehicle trips to read water meters (\$150,000) and provide more timely information to assist in water conservation efforts.

Legal Department

The City Attorney’s office will continue to support all departments in implementing the goals and recommendations set fourth in the CAP through assistance in drafting ordinances and pertinent policies.

Library

The Library has completed the switch to LED lights, which helps the CAP by reducing overall energy consumption and waste. The Library will continue to support the CAP through recycling newspaper, cardboard, magazines, and toner and efficiently controlling lights, temperature, and computers.

Police

Included in the FY 2021 Budget is a new patrol vehicle which will be a hybrid model. The Department also has policies in place to continue addressing the CAP initiatives. These include the use of an electrical assist bicycle to patrol walking paths, patrol cars will not be left idling unless it is operationally necessary, and bikes and motorcycles are utilized to patrol when the weather permits. The Emergency Services Center, which houses Municipal Court, Police Department and the Fire Department, will be upgraded to all LED lights (\$90,000) in FY 2021 to reduce operating costs and take steps to meet the goals of the CAP.

Fire Department

With the increased risk of wildfire, the Fire Department will continue to build a climate resilient community through educational programs centered around prevention and preparedness. Staff will also receive training focused on mitigation. The Emergency Services Center, which houses Municipal Court, Police Department and the Fire Department, will be upgraded to all LED lights (\$90,000) in FY 2021 to reduce operating costs and take steps to meet the goals of the CAP.

Planning and Building

The Planning Department has included funds in the FY 2021 Budget to complete several projects in FY 2021 that have elements implementing the CAP.

- The implementation of the downtown parking improvement plan will include reviewing public transportation and alternative transportation options to reduce vehicle trips.
- The Highway 93 South Corridor Plan will contain goals and objectives to support public transit, improve bike and pedestrian facilities, reduce vehicle trips, reduce impervious surface, increase green infrastructure, expand water conservation policies with regards to requiring draught resistant landscaping, and promoting land conservation management by encouraging more open space.
- Landscaping and tree retention ordinances will be reviewed by staff with a recommendation to, among other things, require drought resistant plants to promote water conservation, and a more robust tree retention ordinance.

The Building Department has included a new inspector fleet vehicle in the FY 2020 Budget (\$35,000) with the intention to purchase a fuel-efficient hybrid truck.

Parks and Recreation

The Parks and Recreation Department will address goals of the CAP in FY 2021 through improvements to infrastructure, a focus on water conservation, and introduction of community programs.

- Resort Tax Funds (\$120,000) are appropriated for bicycle and pedestrian path connections at Armory Park, enhancing the city's transportation infrastructure.
- Continued protection of the City's water infrastructure will be achieved through the management of two AIS Inspection Stations and the Decontamination Station at City Beach.
- In an effort to increase efficiencies in the City's irrigation system, the Parks and Recreation Department will work with a consultant to perform and complete an irrigation system audit (\$56,000).
- Through various community programs, such as the addition of the Summer Day Camp garden and tree planting events on Arbor Day and Earth Day, the Parks and Recreation Department will meet the CAP's goal of community education and involvement.

- Through the Urban Forestry Program, the department will continue to plant native, drought-tolerant tree species in boulevards and public spaces.
- A rain garden is being considered at the Grouse Mountain to address drainage issues.

Public Works

In FY 2021, the Public Works Department will continue working on many CAP action items with water conservation a priority.

- There are several CAP initiatives incorporated into the water plant expansion project such as the extension of the Whitefish Lake intake and expansion of the water plant which is over 95% efficient (\$10,000,000).
- The Department will also continue with our cast iron water main replacement program to reduce leakage and water loss (\$1,000,000).
- Construction will continue on the new wastewater treatment plant, which will be highly efficient to minimize greenhouse gas emissions.
- The sidewalk 50/50 share program (\$25,000) has been put in place to repair and replace sidewalks and improve accessibility in the community by allowing for safe pedestrian travel.
- The Department will also be working with the CAP Committee on improving recycling and relocating the current central recycling site as affordable housing will be developed on the current site soon.
- Finally, the update to the City's Transportation Plan is planned for completion in FY 2021.

BUDGET TRANSMITTAL LETTER

August 11, 2020

Mayor Muhlfeld and City Council Members,

The Fiscal Year 2021 (FY21) City of Whitefish Budget was developed based on the goals and priorities of the City Council and the service level expectations of our community. The proposed budget provides budget authority for the services and projects the City anticipates completing during the upcoming fiscal year that runs July 1, 2020 to June 30, 2021.

The City budget contains a total of 29 active, self-balancing funds. “Self-balancing” means that resources equal requirements. Each fund exists to provide segregated accounting for specific activities. More detailed information about each fund is provided within the budget document.

FY21 BUDGET MAJOR CHANGES AND ISSUES

With the economic impacts to our community from the COVID-19 pandemic, the original proposed budget kept property tax levies and assessments the same as the prior year with no budgeted increase. However, after funding from the CARES Act was made available to local governments in June 2020 and after receiving the City’s certified taxable valuation on August 3, 2020, the total property tax levy was decreased by 10.0 mills, which is the equivalent of \$402,194 city-wide. For a home valued at \$370,000, the savings is approximately \$50 for the year.

Property Taxes and Assessments

This year is a non-reappraisal year, so the growth of property tax revenue is limited to half the rate of inflation and newly taxable property. Generally, our growth rate in a non-reappraisal year is about two to three percent, but with Tax Increment District expiration on July 15, 2020 we recognized a significant increase in our newly taxable property. Our mill value increased from \$26,877.17 to \$40,219.39 per mill. While taxpayers will receive a reduction in the City portion of their tax bill, property tax revenue in the General Fund, Library Fund, and Fire and Ambulance Fund will increase by 36.92% or \$1,167,342 in total. The offset to the property tax revenue in those funds is a decrease of about \$7.55 million in restricted property tax revenue that would typically be collected in our Tax Increment Fund.

As noted above, while total mills levied is reduced by 10.0 mills, total property tax revenue will increase 36.92% over the prior year due to the higher mill value. The budget levies a total of 107.637 mills compared to 117.636 in FY20. To reduce the number of mills levied, the City’s general property tax mills were decreased to accommodate for the decrease in number of mills for property tax relief from Resort Tax.

In a typical year we would consider increasing assessments by CPI to account for the increased costs to provide maintenance services. However, due to the financial hardships many are facing, this budget proposes no assessment increases to the Street Maintenance Assessment, Street Lighting Districts, Parks and Greenway Assessment, and the Stormwater Assessment.

Resort Tax

Resort Tax is an area of the City's finances that has been adversely impacted by the COVID-19 pandemic and the future is still uncertain. Projections were developed early on with this in mind and after receiving the final year-end figures from FY20 it was updated as collections came in higher than expected. The total collected in FY20 was still less than budgeted, but at a lower rate. The good news is that the Water Fund is not required to cover a portion of the debt service for the Haskill Basin Conservation Easement bond unless further closures or economic impacts occur during FY21 that further reduce Resort Tax collections.

As a result of the decrease in collections during FY20, the property tax relief for FY21 that is transferred from the Resort Tax Fund to the General Fund decreased by \$163,287. This decrease was absorbed by the decrease in the City's general mill levy to provide a total 10.0 mill decrease for taxpayers.

Cash Reserves

During an emergency like the COVID-19 pandemic, an economic downturn, or a recession cash reserves are essential to maintaining expected levels of services for our citizens. While a possible delay in collections of property taxes and other charges for services can be expected due to uncertain economic times, cash reserves will help the City manage any cash flow issues that arise. Budgeted cash reserves at the end of FY21 have increased from \$1,553,033 to \$2,530,675 in property tax supported funds. Cash as a percentage of the budget has increased from 15.29% in FY20 to 21.95% in FY21. With the CARES Act fund we anticipate to receive that will make available other previously committed funds, the budget now has met the recommended rate of cash reserves in the 20%-25% of annual expenditures in property tax supported funds while still providing a decrease to taxpayers.

Capital Improvements

A Capital Improvements Program (CIP) is vital to providing excellent services to the community and fluctuates in spending amounts due to the varied timing of infrastructure and equipment needs. The City's proposed five-year CIP has been provided with the proposed budget.

Capital spending is proposed to increase \$10.9 million compared to FY20. This significant increase is expected as construction continues on the Wastewater Treatment Plant Upgrade Project (an increase of \$5.6 million from FY20) and the City will soon begin construction on the Water Treatment Plant Expansion Project (an increase of \$8.6 million from FY20). The Parks and Recreation Department has budgeted \$250,000 for the Armory Park Improvement Project that is expected to start in FY21 and is funded by a Land Water Conservation Fund grant with matching funds in the Resort Tax Fund, Stormwater Fund, and Impact Fee Fund. With the CARES Act funds making available other previously committed funds, the Emergency Services Center will be upgraded to all LED Lighting to save on operating costs and make progress toward meeting the goals of the Climate Action Plan. Additionally, the City's comprehensive network requires

upgrades to routers, switches and other network equipment that will cost \$192,812. Other significant capital improvement projects are detailed within each fund within the budget and the FY21-FY25 CIP.

City Personnel

With a Consumer Price Index (CPI) increase of 2.8% and a taxable value increase equal to or greater than 2%, most City employees will receive a pay increase of 2% (maximum CPI) plus a 2% STEP for a total increase of 4.0%. In addition to pay increases, medical insurance premiums increased 8.0% in FY21. This increase was higher than the preliminary estimate of 5%-7% due to COVID-19. Based on the adopted formula, the City will cover 5.4% of the 8.0% increase in premiums in FY21.

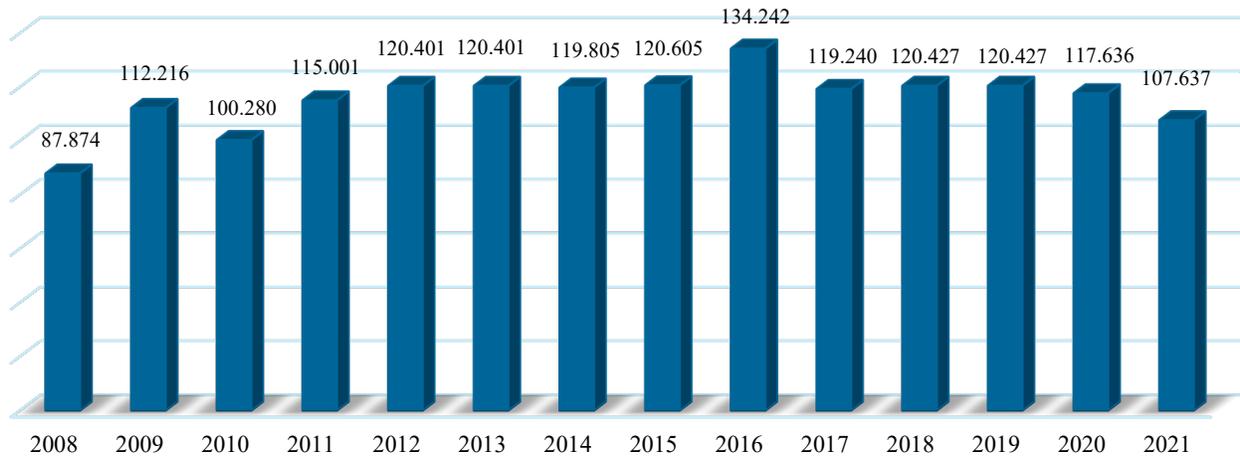

This budget does add or increase staffing in the following areas:

- The full-time police officer budgeted for six months last year now includes the full year of costs. This position will help increase the capabilities of the Police Department both in patrol activities and investigations. The position will cost about \$39,300 more than FY20 as it is budgeted for a full year.
- The software the City had procured in prior years to help with enforcement of short-term rentals has required more staff time than anticipated and, with a recent buy-out of the original vendor, costs were expected to increase significantly. After discussions with the Finance Department and the Planning and Building Department, and my knowledge of the challenges being the previous Finance Director, the part-time Customer Service Clerk position is increased to full-time. By going with a lower cost option software and increasing this part-time position to full-time, the City can improve the timeliness of investigations and enforcement efforts for properties operating as short-term rentals that may not be complying with our regulations. Furthermore, with the setup of City Hall having this position full-time will be more efficient for coverage of the front desk, which is a critical position at the City. With the savings from the lower software costs, the net increased cost for this position is about \$20,000.
- The Fire Department's part-time office manager is increased from part-time to full-time. With the Assistant Fire Chief working mostly on fire inspections, this position will assist the Fire Department with ambulance billing coordination, grant writing, and a backlog of other tasks. The increased cost for this position is \$31,000.
- The Library continues to see increasing demand so an additional 10 hours per week is included in the budget that will be allocated to the current part-time staff. The total cost is about \$9,275.

FY21 BUDGET OVERVIEW

As previously described, property tax levies in total have decreased and maintenance assessments remain the same as FY20. The chart below shows the trend of our net property tax mills levied over recent years.

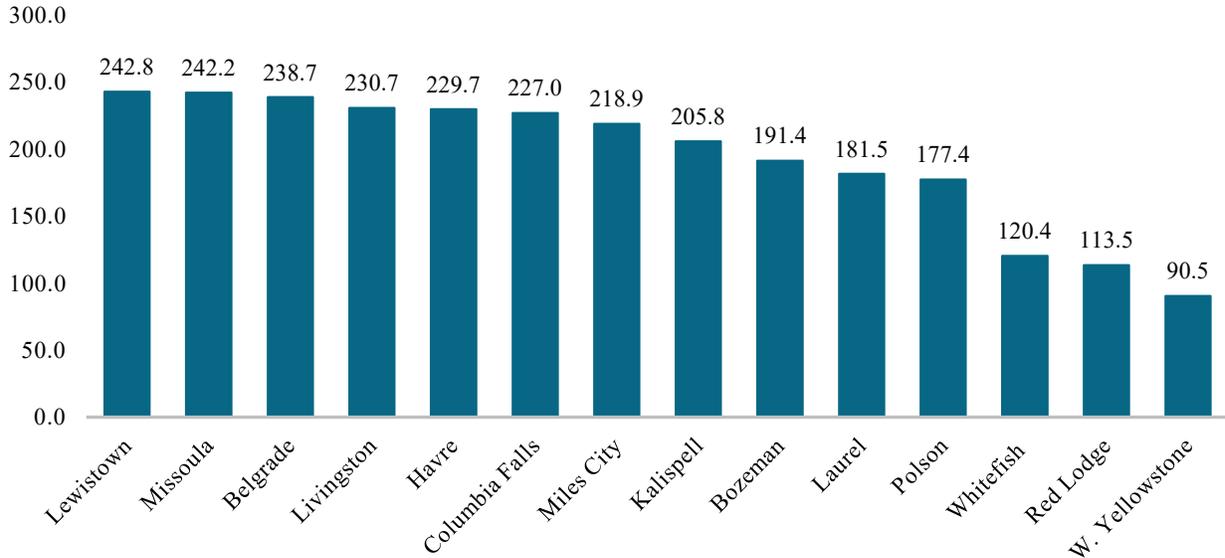

Number of Mills Levied After Resort Tax Rebate

When considering mill rates, it is common practice to compare the City of Whitefish to other Montana cities. Our budget has provided the following graphic for several years. Whitefish has historically had very low property tax mill levy rates, which are even lower due to our Resort Tax rebate, high property valuations, and maintenance district assessments.

Fiscal Year 2019 Total Property Tax Mills for Cities over 4,500 Population

(except W. Yellowstone and Red Lodge - both have lower population and Resort Tax)

While levy comparisons are of interest, caution should be exercised in drawing hard conclusions based on such information. Cities use property taxes to support similar, but not always the same mix of public services. For example, some cities support libraries, public transportation, and other such services with property tax mill levies while others do not. Some cities have maintenance assessments and others do not.

Total revenues and other financing sources for all funds are budgeted at \$52,339,531 which is \$10,871,184 or 26.22% higher than the FY20 budget of \$41,468,347. Most of the increase is the result of anticipated loan proceeds to finance a portion of the Wastewater Treatment Plant Upgrade and the Water Treatment Plant Expansion Projects through the State Revolving Fund Loan Program. The City is also expecting approximately \$688,000 from the CARES Act funds provided to the State of Montana. The increase in loan proceeds of \$17,865,351 from FY20 and the new \$688,000 from the CARES Act is offset by the reduction in property tax and other revenue in the Tax Increment Fund of about \$8,334,792.

The FY21 budget totals \$58,701,727 in expenditures and \$6,809,605 in interfund transfers for a total appropriated budget of \$65,511,332. Compared to the prior fiscal year, FY21 expenditures are increasing \$11,810,511, a 25.19% increase, and interfund transfers are decreasing \$2,034,289, a 23.00% decrease. The increase in expenditures is mostly due to an increase in capital expenditures of \$10,838,480 and the increase in personnel costs as described above. The decrease in transfers is due to the elimination of the transfer from the Tax Increment Fund to the Tax Increment Debt Service Fund. All funds needed for the final debt service payment on July 15, 2020 are within the Debt Service Fund as of July 1, 2020.

Property Tax supported funds' appropriations have increased by \$1,882,382, which is mostly due to increases in Medicare/Medicaid adjustments for ambulance services, personnel costs described above, and capital expenditures (Armory Park Improvement Project, a new ambulance, upgrades to the City's network including routers and switches, and other equipment).

BUDGET OBJECTIVES

There continues to be three financial areas that are important for the City to plan and consider in this budget and the future including: 1) improving cash reserves and fund balance, 2) better funding of Capital Projects (i.e., less debt), and 3) address unfunded liabilities. These are addressed to some extent within the proposed budget.

1. Cash reserves have increased from 15.29% to 21.95%, which has placed the City within the recommended reserves of 20%-25%. While uncertain economic times are here, making progress now is crucial since the City could face more serious financial impacts in the coming years.
2. In FY21 more capital projects have been funded with cash in our property tax supported funds. Furthermore, the City has been able to plan and efficiently use impact fees and other sources of funds to cash fund most projects utilizing the CIP and careful analysis each budget season.
3. We have included final checks for known retirees in FY21 and limited payouts of comp time for current employees in accordance with our collective bargaining agreements, but more needs to be done in this area. During FY21 City staff will create a more robust plan for our unfunded liabilities as we work toward improving the financial position of the City. A portion of the cash reserves will likely be committed to covering these outstanding liabilities and future known payouts.

SUMMARY

I would like to thank Finance Director Dahlman for his dedication, hard work, and long hours preparing this budget. He is an outstanding addition to our team. I would also like to thank the other Department Directors and their staff for all their support and help too.

City staff looks forward to the new fiscal year and the opportunities ahead. Thank you for your review and consideration of the FY21 Budget.

Respectfully,

Dana Smith
City Manager

Budgeted FTEs by Department FY 2017-2021

The City has debt outstanding from revenue bonds, loans from the State of Montana's Revolving Fund (SRF), and loans from the State of Montana INTERCAP Program. Revenue bonds are backed by the underlying revenue applicable to the financing. The City has no general obligation debt outstanding. The Budget includes appropriations for all debt service obligations due in FY 2021.

On March 1, 2016, the City closed on the TIF 2016 Series Bonds to provide financing for a portion of the new City Hall and parking facility. In addition to the tax increment revenue bonds, the City created and approved Special Improvement District (SID) 167 to help fund a portion of the construction costs of the downtown parking facility. The SID 167 Bond was issued on January 5, 2017, in the amount of \$779,000. Properties within the SID boundaries were assessed for the first time in FY 2018.

The SID 166 Bond that was issued for the JP Road construction project continues to be assessed on properties within that District.

The water and wastewater loans currently outstanding were provided by SRF for construction and upgrades to the water and wastewater systems. These loans are backed by and paid for through the user fees generated from the water and wastewater systems.

In FY 2016, the City closed on a loan through the SRF program to fund the purchase of the Haskill Basin Conservation Easement. This loan is first backed by Resort Tax revenues resulting from 70% of the additional 1% that went into effect on July 1, 2015. In addition to the Resort Tax revenues, the loan is further backed up by water user fees if Resort Tax revenues are not adequate in any given year while the loan is outstanding.

In 2020, the City entered into a loan agreement with the State of Montana's SRF loan program for the Wastewater Treatment Plant that included two series of loans; one for \$10,000,000 and a \$350,000 forgivable loan which were finalized on May 6th, 2020. The City anticipates an additional third loan for the project in the amount of \$9,575,000 to occur in 2021.

The FY 2021 proposed budget includes a \$11,000,000 SRF Water Revenue Bond to finance the expansion and construction of the Water Treatment Plant required by the State Department of Environmental Quality. The project will have an estimated 42-week construction timeline with a completion date in FY21.

The City budget also includes the financing for the replacement of information technology network infrastructure including routers and switches. The loan totals \$192,812 with an annual payment of \$38,562.25. the loan has a five-year term at 0%.

The following is a summary of the outstanding debt obligations for the City as of June 30, 2020:

The City of Whitefish has various types of revenue streams during any given year. Revenues include, but are not limited to, charges for services, grants, resort tax, maintenance assessments, and property tax revenue. Other than charges for water and sewer services, the revenue of most interest is property taxes and maintenance assessments that are included on property owners tax bills. Of the total property tax bill (including taxes and assessments), the City of Whitefish accounts for 19%. Approximately 59% of a city resident’s property tax bill goes to education. The most recent tax bills available represent property taxes levied in 2019 for collection in FY 2020.

2019 Property Tax Breakdown

While levy comparisons of local taxing jurisdictions are of interest, caution should be exercised in not drawing hard conclusions based on such information. The value of a mill varies by jurisdiction and the type of activities provided by each jurisdiction varies. However, it is helpful in reviewing where property tax revenue is allocated and the trends over the past five years by jurisdiction.

For FY 2021 (2020 Tax Levies for collection in FY 2021) the proposed budget includes decrease of 10.000 mills levied for the City. This includes an anticipated change as the City’s Tax Increment Financing District will expire and revenue will no longer be segregated into base and incremental amounts. The FY 2021 proposed budget includes \$4,329,078 in property taxes.

FY 2021 Budgeted Expenditures

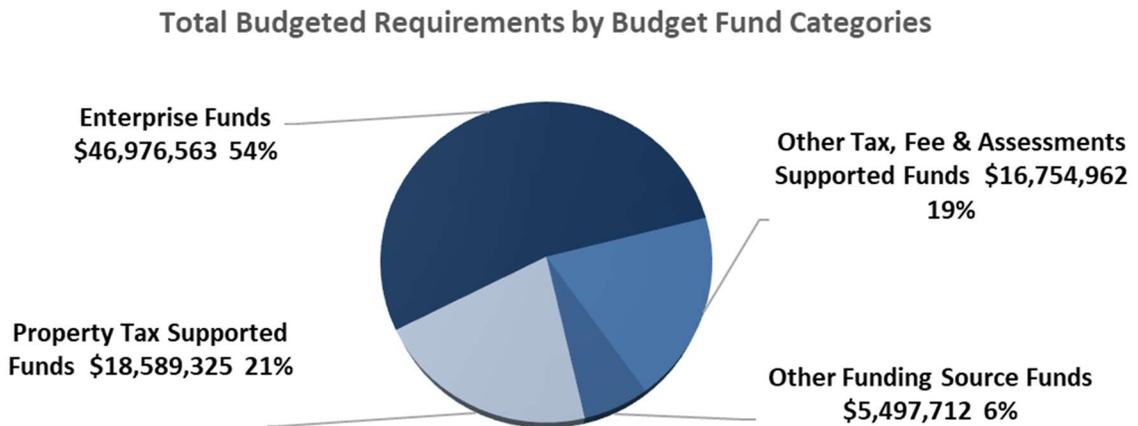

Personnel costs continue to trend higher due to salary and benefit increases and to a lesser extent the increase in full time equivalent (FTE) positions serving the community. Overall, personnel costs represent 19% of budgeted expenditures for all funds (not including transfers between funds). Materials & Services expenditures are 13% of the 2021 proposed budget for all funds. Capital is the single largest component. For FY 2021 there is over \$33.5 million budgeted for continued investment all capital but primarily for large projects in the Wastewater and Water funds.

Expenditures for debt service and contingency are minor categories of allocated resources.

Note: FY 2017’s budgeted Capital Outlay included the City Hall Parking Structure project. The FY 2020’s Budget included Capital Outlay for the Wastewater Treatment Plan Project.

The graph below shows the budget allocation for the funds by primary funding source.

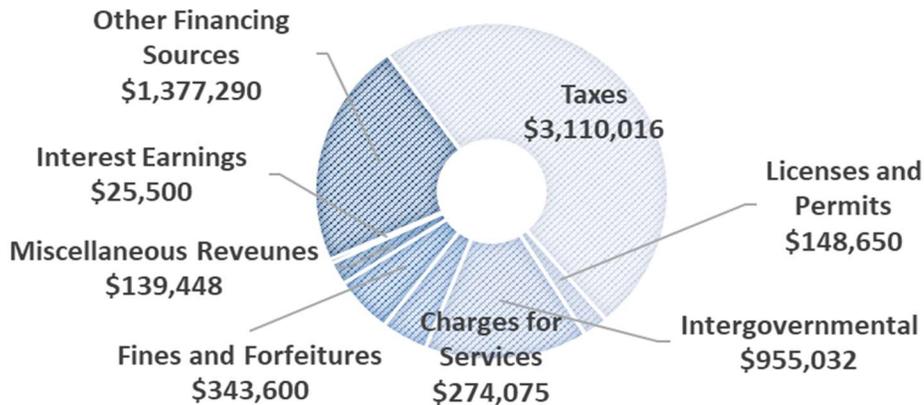

Purpose

The General Fund provides services and projects that are typically not self-supporting. Services provided by the General Fund include Municipal Court, Administrative Services, Resort Tax Administrative Services, Legal Services, Parking Facility Maintenance, Community Planning, Community Agencies, Cemetery Services, and other Non-Departmental functions. Significant transfers of property taxes are also made from the General Fund to support the Law Enforcement Fund, Fire and Ambulance Fund, Library Fund and the Parks and Recreation Fund. General Fund services generate relatively little or no revenue to offset their costs. As such, property tax revenue and other “general” income sources pay for General Fund expenses.

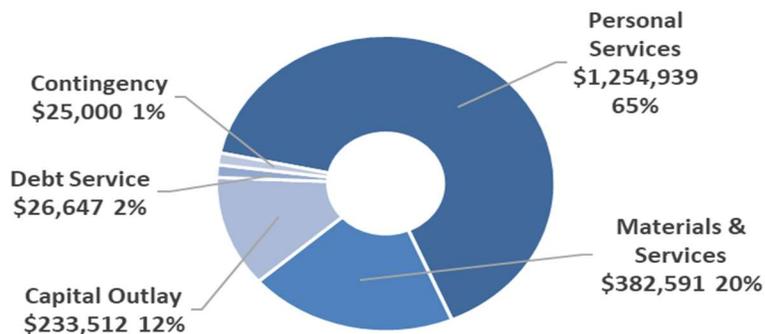

FY 2021 Objectives

The objective of the General Fund for FY 2021 is to provide budget authority to provide the above listed services within the City.

FY 2021 General Fund Revenues

FY 2021 General Fund Expenditures

Significant or Changed Appropriations during FY 2021 are:

Item/Project	Amount
Revenue Changes	
• Increase in property tax revenue (related to the Tax Increment Financing (TIF) District expiring and taxes being allocated to property tax funds instead of TIF fund)	\$809,890
• Increase in general business license revenue due to year-to-date actuals and trends	\$3,000
• Increase in State Entitlement Distribution	\$33,423
• Decrease in fines & forfeitures including parking fines based	\$16,000
• Increase in Planning & Zoning fee estimates	\$21,500
• Decrease in investment earnings based on lower rates	\$59,500
• Decrease in Haskill Basin Excess Tax Relief based on recent market conditions	\$107,692
• Decrease in Resort Tax Property Tax Relief based on recent market conditions	\$227,075
Expenditure Changes	
• Increases in Personnel due to higher wages, benefits and FTEs	\$282,054
• New cemetery development (roll-over from FY 2020)	\$20,000
• Additional consulting services in Community Planning formerly paid with TIF funds	\$25,000
• Increase in cost for property insurance for the WAVE	\$8,620
• Increase in transfers to Fire & Ambulance Fund due to former TIF allocation	\$100,000
• Increase in transfers to the Law Enforcement Fund due to former TIF allocation	\$112,267
• Increase in transfer to the Parks & Recreation Fund due to former TIF allocation	\$64,823
• Partial funding for a new Plotter to be shared between Public Works and Planning	\$5,000
• Decrease in capital in administrative services for servers purchased in FY 2020	\$21,500
• Copier purchase for the Municipal Court	\$8,500

Information Technology Projects for FY 2021:

The FY 2021 budget also includes three Information Technology (IT) related projects. An Office 365 upgrade migrating to the government tenant including one-time cost of approximately \$15,000 for consulting and an additional \$5,000 for annual maintenance. \$192,812 has been proposed for replacing the City's network equipment. This budget includes the recording of capital acquisition and loan proceeds as a financing transaction for the purchase. The terms include 0% interest for five years. The City's IT projects also include upgrades to backup and

recovery systems and software. While these projects are managed by staff in the General Fund, a large proportion of the costs are allocated to other funds. Budgeting software totaling \$48,000 was also added to the FY 2021 budget to automate the process using workflow. The cost is allocated to other funds via the Admin & Legal cost allocation.

Purpose

The Municipal Court budget in the General Fund provides for the administration of the Whitefish Municipal Court.

FY 2021 Objectives

The objective of the Municipal Court Division for FY 2021 is to provide budget authority to operate the Whitefish Municipal Court. Two full-time and one part-time clerk assist the Municipal Judge in operating the Municipal Court. The FY 2021 budget provides \$8,500 to replace the copier that is at the end of its useful life.

Purpose

The Administrative Services Division provides for the general administration of the City including the offices of the City Manager, Finance Director, City Clerk/Administrative Services Director, and Human Resources Director. Insurance, benefits, payroll, accounting, financial reporting and information technology administration are areas covered by this division. There are nine full time employees in Administrative Services, but most of their personnel costs are spread throughout the City's budget in a cost allocation formula.

FY 2021 Objectives

The objective of the Administrative Services Division in the General Fund for FY 2021 is to provide budget authority to provide the above listed services within the City. City Council establishes short-term and long-term goals for the City, which guide the operations and objectives during FY 2021.

The FY 2021 Budget provides for costs related to the implementation of the City's new website, audit costs, new budget software, crisis communication contract, and additional resources for repairs and maintenance. These increased costs are partially offset by a reduction in City newsletter costs which will only be published bi-annually instead of quarterly.

Admin & Legal Cost Allocation

FY 2021

The Administrative Services Division expenditures of the General Fund are allocated to any fund that has personal services costs. The amount of admin expenditures allocated to other funds is based on the amount of salaries and benefits paid by each of the other funds as a percentage of the total salaries and benefits for the City. For example, in FY 2021, 11.47% of the total City payroll is budgeted in the General Fund. Therefore 11.47% of any administrative services materials and services expenditures remain in the General Fund, and 88.53% is allocated to other funds.

The table below shows both the total amount before the allocation of costs and the amount that remains in the General Fund. In Office Supplies, under the Budget FY 2021 column, the total budget is \$10,000, however, of that \$10,000, only \$1,147 or 11.47% will stay in the General Fund—found in the Allocation FY 2021 column to the right.

Resort Tax Administrative Services

Purpose

The Resort Tax Administrative Services budget provides for the administration of the City's Resort Tax. Ordinance 95-15, the Resort Tax Ordinance, does not allow the use of Resort Tax collections to pay for related the administrative expenses. Due to this prohibition such expenses are paid from the General Fund.

FY 2021 Objectives

The objective of the General Fund for this budget year is to provide budget authority to provide the above listed services within the City.

Legal Services

Purpose

The Legal Services budget provides for the administration of the Legal Services Department. The City Attorney provides legal support to the City including legal consultation, preparation and review of legal documents, and representation in civil matters. The FY 2021 budget continues to provide for in-house prosecution services for the City Court through the Deputy Attorney position. The Legal Department is also supported by a part-time legal assistant.

FY 2021 Objectives

The objective of the General Fund for this budget year is to provide budget authority to provide the above listed services within the City.

Parking Facility Maintenance

Purpose

The three-story parking facility that opened in May of 2017 in downtown Whitefish requires continued budgeting for operating and maintenance costs. The City's Maintenance Facility Technician along with the help of other staff are responsible for maintaining the parking facility. Leased parking spaces will be enforced by the Police Department's Parking Enforcement Officer. These operating costs are offset by the leased parking revenue, also budgeted in the General Fund.

FY 2021 Objectives

The objective of the Parking Facility Maintenance account in the General Fund for this budget year is to provide budget authority for the new parking facility. The FY 2021 budget provides for a continued expenditure budget for maintaining the facility. Overall, the cost to maintain the parking structure, including salaries and employer contributions, is budgeted to be \$87,240 which is down compared to the FY 2020 budget of \$90,259. The reduction is primarily the result of a lower allocation of salaries for Parking Facility Maintenance activities.

Purpose

The Community Planning Division provides for the development, administration and enforcement of the City's land use, development and zoning regulations and other provisions of the City Code. These functions are performed by the City's Planning and Building Department.

FY 2021 Objectives

The objective of the Community Planning Division for this budget year is to provide budget authority for a broad range of planning activities including review, development and revision of planning regulations, long-range planning, processing land use and development applications, and enforcement of land use, development and zoning regulations and other provisions of the City Code.

Whitefish continues to address the shortage of affordable workforce housing by working on strategies identified in the Whitefish Strategic Housing Plan.

Community Agencies Division

Purpose

The Community Agencies Division provides budget authority to support various community organizations. These include the Eagle Bus Service, Big Mountain S.N.O.W. (Shuttle Network of Whitefish) Bus, Golden Agers Community Center, O'Shaughnessy Center Insurance, Whitefish Housing Authority, and property insurance for The Wave.

FY 2021 Objectives

The objective of the Community Agencies Division for this budget year is to provide budget authority to support various community organizations, as described above. In FY 2014, the City began reimbursing the Whitefish Housing Authority for the Payment in lieu of taxes (PILT) which the Housing Authority pays to the City for Mountain View Manor, an elderly and disabled subsidized housing apartment building. This has continued in the FY 2021 Budget.

Cemetery Services

Purpose

The Cemetery Division provides budget authority for the ongoing maintenance of the Whitefish Cemetery. The City operates a 7.0 acre cemetery on Hwy 93 North next to the golf course.

FY 2021 Objectives

The objective of the Cemetery Division this fiscal year is to provide budget authority for the maintenance of the Whitefish Cemetery. The City is pursuing a new Cemetery and \$20,000 is included for possible site development analysis.

Purpose

Title 22, Chapter 1, Part 3 of the Montana Code Annotated provides for the establishment and laws related to free public libraries. The Whitefish Community Library was created as a City Library via Resolution 10-48 on November 15, 2010 after the City Council had voted to terminate an Interlocal Agreement with the Flathead County Library Board of Trustees for the consolidated county-wide library service. This fund provides for the collection of property taxes, donations, fines and other revenues and the appropriations for the Whitefish Community Library.

FY 2021 Objectives

The objective of the Library Fund for this fiscal year is to provide budget authority for the Whitefish Community Library.

Significant changes in the FY 2021 Budget are:

Item/Project	Amount
Revenue Changes	
<ul style="list-style-type: none">Increase in property tax revenue from the expiration of the Tax Increment Financing (TIF) District (previously incremental taxes were allocated to the TIF fund)	\$90,794

Purpose

The Law Enforcement Fund provides the primary financial support for the City Police Department. The Department currently provides policing services through a budgeted staff of 17 sworn officers (including the Chief of Police) and a parking enforcement officer.

FY 2021 Objectives

The objective of the Law Enforcement Fund for this fiscal year is to provide budget authority for the Police Department.

Significant or changed appropriations during FY 2021 are:

Item/Project	Amount
Revenue Changes	
<ul style="list-style-type: none"> Decrease in revenue for a Stone Garden Equipment Grant for equipment for two mobile command post for a budgeted total of \$10,000 which is \$30,000 less than the \$40,000 budgeted in FY 2020 	\$10,000
<ul style="list-style-type: none"> Increase in revenue for Federal CARES Act funding 	\$317,601
<ul style="list-style-type: none"> Increase in DOT Overtime Reimbursement - STEP 	\$6,500
<ul style="list-style-type: none"> Decrease in Stone Garden Federal Grant 	\$8,800
<ul style="list-style-type: none"> Increased transfer from General Fund (Property Tax Support) 	\$112,267
Expenditure Changes	
<ul style="list-style-type: none"> Increase in Personnel Services due to higher wages and benefits. The FY 2021 Budget also included the full year cost of an officer position budgeted to start mid-year FY 2020 	\$138,016
<ul style="list-style-type: none"> Increase in 911 costs which represent a 4% increase over FY 2020 	\$6,418
<ul style="list-style-type: none"> Increase for a LED lighting project at the Emergency Operations Center 	\$30,600
<ul style="list-style-type: none"> A proposed Ford Explorer Hybrid for the Assistant Chief has been budgeted as a replacement vehicle. The hybrid will be approximately \$3,000 higher in initial cost compared to a non-hybrid vehicle. However, over the operating life of the vehicle, savings for the cost of fuel is anticipated to be approximately \$2,600 per year contributing to the City's sustainability efforts 	\$41,000

Purpose

The Victim and Witness Assistance Fund provides budget authority to comply with Montana House Bill 257, adopted during the 1999 Legislative Session. The bill requires cities to establish a fund to account for a Victim and Witness Assistance Fine to be assessed on those convicted of misdemeanor and felony charges. Funds collected through assessments shall be used to pay restitution and to assist the victims and witnesses of criminal acts.

FY 2021 Objectives

The objective of the Victim and Witness Assistance Fund for this fiscal year is to administer the requirements of the Montana Victim and Witness Assistance Statute.

Purpose

The purpose of the Fire and Ambulance Fund is to provide budget authority for the delivery of fire prevention and suppression, rescue services, and ambulance and advanced life support services to the City of Whitefish, the rural fire service area, and surrounding areas.

FY 2021 Objectives

The objective of the Fire and Ambulance Fund for this fiscal year is to provide fire suppression, fire and accident rescue, hazardous materials incident response, fire code enforcement, ambulance and advanced life support service, and community education on related issues.

Significant or changed appropriations during FY 2021 are:

Item/Project	Amount
Revenue Changes	
<ul style="list-style-type: none"> Increase in property tax revenue from the expiration of the Tax Increment Financing (TIF) Area (previously incremental taxes were allocated to the TIF fund) 	\$316,213

Purpose

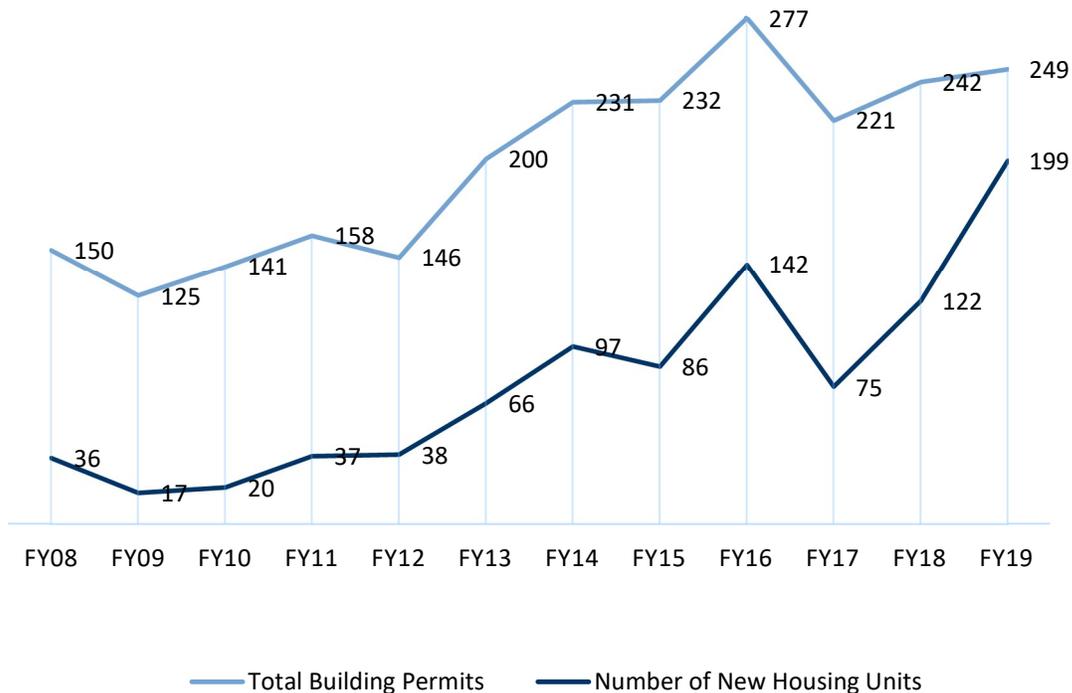

The Building Code Program Fund provides budget authority to administer the City’s Building Code Program and also the contract for Building Code services for the City of Columbia Falls. Administration of the Building Codes Program is provided by the Planning and Building Department.

FY 2021 Objectives

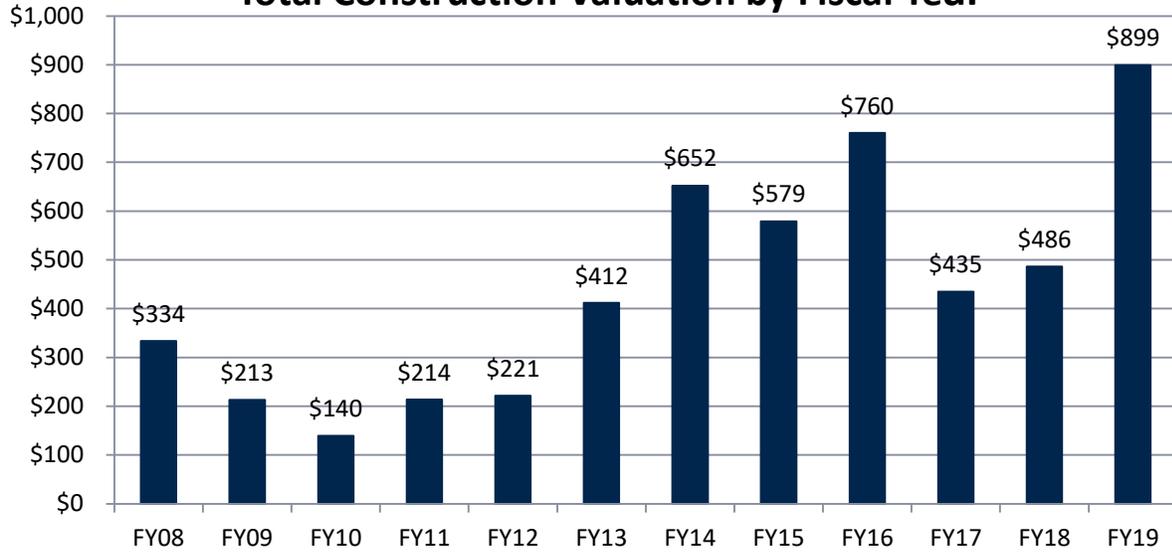

The objective of the Building Code Program Fund for this fiscal year is to promote dependable and safe buildings and structures through the implementation and enforcement of the International Building Code, International Plumbing Code, International Mechanical Code, and National Electric Code within the City of Whitefish.

The FY 2021 budget proposes building activity to slow from FY 2020 actuals. Salaries were reallocated to more closely reflect the actual time spent providing building inspections in Columbia Falls and two trucks are scheduled to be replaced.

Parks & Recreation Department Mission Statement

The mission of the City of Whitefish Parks and Recreation Department is to maintain a healthy, diverse, sustainable, and interactive environment for our residents, visitors, and future generations with dedication, pride, and respect for our community. As stewards of Whitefish, through proactive involvement, efficiency, communication, and understanding, we will go above and beyond our duties as City employees to enhance the overall quality of life for the citizens of Whitefish.

Purpose

The purpose of the Parks, Recreation and Community Services Fund is to provide the budgetary authority necessary to maintain the parks, trails and property owned by the City, operate community facilities, provide recreational programs, and provide other beautification and community services as needed.

The Whitefish Trail Operations and Maintenance is also budgeted in the Parks & Recreation Fund to address existing portions of the trail and is primarily funded by the Whitefish Trail endowment disbursements managed by the Whitefish Community Foundation and Whitefish Legacy Partners.

FY 2021 Objectives

The objectives of the Parks, Recreation and Community Services Fund for this fiscal year are to

- (1) maintain and, where appropriate, operate various City facilities. These include the Mountain Trails Park, Roy Duff Memorial Armory Center, Armory Park, Credit Union Park, City Hall building and grounds, City Beach, Soroptimist Park, Baker Park, Riverside Park, Creekwood Park, Grouse Mountain Park, Memorial Ball Park perimeter, Jack Zerr Fields, Canoe Park, Kay Beller Park, Crestwood Park, Riverwood Park, the Baker/Wisconsin Street Viaduct, S. Baker Avenue right-of-way, W. Edgewood Place right-of-way, property at 2nd and Spokane Avenue, Greenwood Drive property, Central Avenue Medium, and the grounds of the Whitefish Cultural Arts Center, Whitefish Library, and City Wastewater Plant.
- (2) provide budget authority for Whitefish Legacy Partners to manage annual operations, trail, and trailhead maintenance through efficient use of endowment funds and strong WT volunteer programs.
- (3) provide a series of recreation programs and special events.
- (4) provide maintenance for boulevard trees and pre-planting administration.
- (5) maintain the Hwy. 93 right-of-way landscape and provide weed spraying services on City property and right-of-ways as needed.
- (6) provide other general beautification and community services as needed.

Purpose

The Parkland Acquisition and Development Fund is a capital fund designed to accommodate the purchase of parkland and enable park improvement projects funded through contributions, grants, and payments made in lieu of park land dedication requirements.

Authority for the Parkland Acquisition and Development Fund derives in the Montana Subdivision and Platting Act, specifically Section 76-3-621 (5) MCA. In order to comply with the proximity requirements of the law, the City has designated three quadrants in the City where the funds are spent—Resolution 07-10.

FY 2021 Objectives

The objective of this fund for FY 2021 is to collect contributions and cash in-lieu of parkland. The budget provides a portion of the matching funds for LWCF Grant for the Armory Park Improvement Project.

Purpose

The purpose of the Whitefish Trail Construction Fund is to provide budget authority to support efforts to design and construct new portions of Whitefish Trail. Funds provided to the effort are generated through grants and private contributions. To date, these funds have constructed 43 miles of trail and 13 trailheads, impacting over 6,100 acres for conservation.

The Whitefish Trail Operations and Maintenance is budgeted in the Parks & Recreation Fund to address existing portions of the Whitefish Trail, including trail and trailhead maintenance, weeds management, DNRC licenses, and the seasonal WT Coordinator. It is primarily funded by the Whitefish Trail Endowment Fund disbursements managed by the Whitefish Community Foundation and Whitefish Legacy Partners and is also supported by community partners including Flathead Area Mountain Bikers, Glacier Nordic Club, Montana Fish, Wildlife & Parks, corporate sponsors, and Adopt-A-Trail crews and sponsors.

FY 2021 Objectives

The objective of the Whitefish Trail Construction Fund for this fiscal year is to continue expanding and improving the trails and amenities of the Whitefish Trail. Projects include Phase 1 construction at Smith Lake, completion of retread projects in Haskill, completion of wayfinding sign installation, and planning for possible Lion Mountain expansion. The objective of the Whitefish Trail Operations and Maintenance Fund for this fiscal year is to continue ongoing operations and maintenance of the entire trail system and initiate larger maintenance projects on priority use areas including Lion Mountain.

Purpose

The resort tax is authorized by Section 7-6-1501 MCA and was originally approved by Whitefish voters on November 7, 1995 by a 56%-44% vote. The resort tax was approved for a 20-year term beginning January 1, 1996. At the November 2, 2004 City election, the voters approved an extension of the resort tax until January 31, 2025 by a margin of 2012 to 632. At a special election on April 28, 2015, the voters approved an increase in the Resort Tax from 2% to 3% for additional property tax relief and to fund the purchase of the Haskill Basin Conservation Easement to protect and preserve water quality and quantity. The vote passed by a margin of 1718 to 334. The 1% increase in Resort Tax from 2% to 3% was effective July 1, 2015.

Whitefish’s resort tax is a tax on the sale of lodging, restaurant and prepared food, alcoholic beverages, ski resort goods and services, and the retail sale of defined luxury items. As of July 1, 2015, Whitefish voters allocated the use of the 3% resort tax as follows:

- A. *Property tax reduction for taxpayers residing in the city in an amount equal to twenty five percent (25%) of the 3% resort tax revenues derived during the preceding fiscal year;*
- B. *Provision for the repair and improvement of existing streets, storm sewers, all underground utilities, sidewalks, curbs and gutters, in an amount equal to sixty five percent (65%) of the 2% resort tax revenues derived during the preceding fiscal year;*
- C. *Bicycle paths and other park capital improvements in an amount equal to five percent (5%) of the 2% resort tax revenues derived during the preceding fiscal year;*
- D. *Repayment of a loan or bond to finance a portion of the costs of, or to otherwise pay for, the acquisition of the conservation easement or other interest, in and around Haskill Basin in order to protect and preserve water quality and quantity, including the source drinking water supply for the municipal water system of the city of Whitefish, in an amount equal to seventy (70%) percent of the 1% resort tax revenues to be collected during a fiscal year.*
- E. *Cost of administering the resort tax in an amount equal to five percent (5%) of the 3% resort tax per year.*

Purpose

Section 7-15-4282 MCA authorizes the use of Tax Increment Financing for Urban Renewal purposes. Resolution 87-3, establishing the Whitefish Urban Renewal Plan, was adopted by the City Council on May 4, 1987. Resolution 87-16, establishing the tax increment provisions of the Urban Renewal Plan, was subsequently adopted by the City Council on July 6, 1987. In accordance with Section 7-15-4292 of the Montana Code, tax increment districts must be terminated 15 years after their creation or at a later date necessary to pay all bonds and related interest for which the tax increment has been pledged. Due to the City's issuance of tax increment bonds, termination of the district is July 15, 2020.

Purpose

The Tax Increment Debt Service Fund was established pursuant to resolutions related to the sale of the City's Series 2000, 2001 and 2004 Tax Increment Revenue Bonds. The resolutions specify that debt service requirements related to the bond issues be provided for through a special debt service fund. The resolutions also require the establishment of a bond reserve account, which has been provided for in this fund.

The City refinanced the Series 2000, 2001, and 2004 Bonds in order to lower its interest rates in July, 2009 as part of a new bond issue which provided funding of \$7,500,000 for the construction of the Emergency Services Center. The City received an A- and stable rating on the 2009 bond issue from Standard and Poor's. The true interest cost on the 2009 bonds is 4.23% compared to the 5.8%-6.625% interest rate of the 2000 bond, the 6% interest rate of the 2001 bond, and the 5.1% interest rate of the 2004 bond.

The City refinanced the 2009 bond at the beginning of June 2015 to save money on interest by obtaining a new true interest cost of 2.619% instead of the 4.23% true interest cost. The City also issued \$9,800,000 of Tax Increment Revenue Bonds in March 2016 as to finance a portion of the City Hall and Parking Structure project. The interest rate on these bonds is 2.21%. All bonds will be paid in full July 15, 2020.

FY 2021 Objectives

Provide budget authority to disburse the final debt service requirements on the 2015 and 2016 TIF Revenue Bonds. FY 2021 is the final year for this fund.

Purpose

The City Council adopted Ordinance No. 07-25 authorizing the collection of impact fees on August 6, 2007. The ordinance required the segregation of impact fees from other funds, therefore, this fund provides that segregation for impact fee expenditures other than for enterprise funds such as Water and Wastewater. These areas are Paved Trails, Park Maintenance Building, the Emergency Services Center, City Hall, and Stormwater.

FY 2021 Objectives

The objective of the Impact Fee Fund for this fiscal year is to provide a segregated fund to account for appropriate impact fee project expenditures. The City has established an Impact Fee Advisory Committee to help monitor the impact fees and advise the City on appropriate expenditures. A five-year review of the impact fee calculation took place in FY 2013 and a second one was completed in FY 2019. Projects for FY 2021 include \$100,000 for the Armory Park Shared Path Improvement Project, and \$87,500 for a Stormwater Sump Collection System Project on Whitefish Avenue.

CDBG/HOME Homebuyers Assistance Fund - 2945

Purpose

The CDBG/HOME Homebuyers Assistance Fund provides budget authority to facilitate a “pass-through” grant for first-time homebuyer assistance in Whitefish. The Community Development Block Grant (CDBG) Program pays grant funds to the City of Whitefish. These funds are then paid to the Whitefish Housing Authority. The Housing Authority administers the program. In addition to the CDBG Program, the Whitefish Housing Authority also participates in the HOME Grant Program.

FY 2021 Objectives

The objective of the CDBG/HOME Homebuyers Assistance Fund for this fiscal year is to facilitate the pass-through of grant dollars to the Whitefish Housing Authority if awarded.

Housing Rehabilitation Fund - 2987

Purpose

The Housing Rehabilitation Fund provides budget authority to facilitate the City’s Housing Rehabilitation Revolving Loan Program for qualified homeowners and property owners. The program is administered by the Whitefish Housing Authority through an interlocal agreement with the City.

FY 2021 Objectives

The objective of the Housing Rehabilitation Fund for this fiscal year is to comply with Federal requirements to manage the repayment and reuse of rehabilitation loans.

Affordable Housing Fund - 2989

Purpose

The purpose of the Affordable Housing Fund is to provide budget authority to administer the City’s affordable housing cash in-lieu program.

FY 2021 Objectives

The objective of the Affordable Housing Fund for this fiscal year is to accumulate funds from the affordable housing cash in-lieu program and provide funding to the Whitefish Housing Authority for development of affordable housing at the corner Railway St. and Columbia Ave.

Purpose

The Sidewalk Districts Fund provides budget authority for construction of community sidewalks resulting from cash-in-lieu fees paid by developments when new construction occurs in established neighborhoods. Funds are segregated into three districts; east, north and west. Projects are undertaken within each district when sufficient funds are available to build substantial lengths of sidewalks.

FY 2021 Objectives

The objective of the Sidewalk Districts Fund for this fiscal year is to accumulate funds for future projects and provide for construction of sidewalks as funds become available.

Purpose

The Subdivision Street Trees Fund provides budget authority for the purchase and installation of trees in specific subdivisions based on an agreement with the developer and the City. Amounts received from developers must be spent on installation of trees within that specific subdivision. All costs, including a 20% contract administrative, is included in the fee. This option for developers is under section *12-4-22: Planting Strip Landscaping and Street Trees* of the City Code.

FY 2021 Objectives

The objective of the Subdivision Street Trees Fund for this fiscal year is to accumulate payments from Street Tree agreements and provide for tree installation.

Purpose

The Residential Lighting District Fund 2400 and the Commercial Lighting District Fund 2410 provide budget authority to provide, maintain, and improve residential and commercial street lighting within the City. The districts are funded through a lighting assessment.

FY 2021 Objectives

The objective of the Residential & Commercial Lighting District Funds for this fiscal year is to provide street lighting within residential and commercial areas. Funds are used to pay for electricity used by street lights located in the Residential & Commercial Lighting Districts and to support capital improvement and replacement of system components. In FY 2018, the City decided to move forward with replacing and retrofitting all lights with LED bulbs to help reduce energy consumption and extend the useful lives of each light.

Purpose

The Street Fund provides budget authority to support the operation, maintenance and improvements of the streets and storm drainage systems of the City of Whitefish.

FY 2021 Objectives

The objective of the Street Fund for this fiscal year is to provide street maintenance and improvements for the driving, walking and bicycling public. Typical maintenance activities include street sweeping, asphalt repairs and preventative maintenance, snow and ice removal, and upkeep of traffic signs and markings.

Significant or changed appropriations during FY 2021 are:

Item/Project	Amount
Revenue Changes	
• Increase in street excavation permits	\$1,000
• Increase in Gasoline Tax Apportionment	\$3,183
• Increase in maintenance assessment due to new properties (rate remains the same as prior year)	\$14,578
Expenditure Changes	
• Increase in personnel services related to higher wages and benefits	\$161,208
• Increase in repair and maintenance services for the overlay and chip seal program (total budget is \$250,000 for this program)	\$91,980
• Decrease in professional services as the FY 2020 budget included budget for Asphalt Maintenance Plan work which will not be needed in FY 2021	\$23,000
• Increase in contract services in the Ice and Snow Removal program to account for hauling snow to the Public Works Shop instead of using the snow lot which will no longer be available (the overall increase for hauling snow to the snow lot will be partially offset by a reduction in costs for alley plowing)	\$20,000
• #1 Capital Improvement – Sidewalk Extension Project	\$25,000
• #2 Capital Improvement – Shop Upgrades to include paving from sewer hookup, locker room & bathroom remodel, mechanic storage, shop wash containment, garage Door openers (Streets/Water/Sewer)	\$10,000
• #1 Capital Equipment – Backhoe Thumb (split with Streets/Water/Sewer)	\$2,500
• #2 Capital Equipment – Snowplow – 12’ for unit #140	\$17,000
• #3 Capital Equipment – Snowgate	\$10,000
• #4 Capital Equipment – Van replacement for unit #20 (split Streets/Water/Wastewater)	\$14,000

• #5 Capital Equipment – Replacement 4 x 4 Pick-Up for unit #10 (split Streets/Water/Wastewater)	\$14,000
• #6 Capital Equipment – Replacement Dump Truck for unit #27 (split Streets/Water/Wastewater)	\$50,000
• #7 Capital Equipment – Replace Loader for unit #42 (split Streets/Water/Wastewater)	\$60,000
• #8 Capital Equipment – Replace Plotter (split Streets/Water/Wastewater and Planning)	\$2,000
• #9 Capital Equipment – RTK Base Station (split Streets/Water/Wastewater)	\$4,130
• #10 Capital Equipment – Equipment Diagnostic Scanner (split Streets/Water/Wastewater)	\$3,500

Purpose

The Bridge and Road Safety and Accountability Act (BaRSAA) Program was established by House Bill 473 during the 2017 Legislature that is funded by an increase in the gas tax for the State of Montana. The BaRSAA program funds are allocated to each city, town, and county in Montana using the same allocation formula as the originally allocated gas tax. The Montana Department of Transportation must allocate funds by March 1st of each year. Local governments must match the program funds requested in a ratio of 20:1 and identify a project to request funds. The City has 5 years from the date of receipt to spend the monies received.

FY 2021 Objectives

The objective of the Gas Tax - BaRSAA Fund for this fiscal year is to accumulate funds for the next street improvement project.

Purpose

The Stormwater Fund provides budget authority to support the operation, maintenance and improvement of the City's stormwater system.

FY 2021 Objectives

The objectives of the Stormwater Fund for this fiscal year is to provide continuing maintenance and improvements for the City's stormwater system, as well as contract services necessary to implement environmental regulations. The Fund is supported by a stormwater utility assessment on all properties within the City. In FY11 the assessment was reduced from \$72 per parcel to \$12.53 to provide relief to taxpayers during the recession. The assessment has remained at \$12.53 through FY 2018. The FY 2019 budget and FY20 budget increased the assessment up to \$77.53 to cover the actual costs of maintenance and capital improvements needed for the Stormwater system. For FY 2021, no increase is budgeted.

Significant or changed appropriations during FY 2021 are:

Item/Project	Amount
Expenditure Changes	
• #1 Capital Improvement Project – Sump Pump Collection	\$50,000
• #2 Capital Improvement Project – Riverside Stormwater Treatment Pond BMP Improvements	\$25,000
• #3 Capital Improvement Project – Armory Road Drainage Improvements including Engineering and Construction	\$75,000

Purpose

The Wastewater Fund provides budget authority to support the operation, maintenance and improvement of the City of Whitefish wastewater system.

FY 2021 Objectives

The objective of the Wastewater Fund for this fiscal year is to collect and treat the community's wastewater and provide for preventative and emergency maintenance for the system as needed. In addition, the appropriations cover the purchase of equipment and continued construction in FY 2021 for the the mandated update to the wastewater treatment plant by the State of Montana and the EPA.

Significant or changed appropriations during FY 2021 are:

Total Wastewater Fund				\$ 16,694,568		\$ 22,944,507

Purpose

The Solid Waste Fund provides budget authority to support contract and administrative services for the solid waste and recycling collection program.

FY 2021 Objectives

The objective of the Solid Waste Fund for this budget year is to administer the City's solid waste collection and recycling services contract with Republic Services. The current contract requires Republic Services to provide not only collection services for refuse, but also customer assistance, monthly billing, and general administrative support services for the solid waste collection program. It is anticipated, however, that the City will begin billing services again after a new contract is executed during this budget year. The FY 2021 budget includes an increase in salaries to support billing services and the revenue from collections and related expenditures will be added at the time of contract approval through a budget amendment. Therefore, the Solid Waste Fund continues to spend-down cash reserves in FY 2021.

Purpose

The purpose of a Special Improvement District (SID) Fund is to provide budget authority to collect district assessments and to disburse principal and interest payments on behalf of district property owners and to repay the various City funds for the early retirement of externally held SID bonds. SIDs can be formed to address infrastructure needs (i.e. water, sewer, streets, sidewalks, etc.) in specific neighborhoods or areas of the City or on a City-wide basis.

FY 2021 Objectives

The objective of the SID Funds for this fiscal year is to meet obligations previously incurred to facilitate various community improvement projects. The SID Revolving Fund is used as security for the SID Bonds outstanding and can be used if assessments do not cover the scheduled debt payments. Currently only two SID Bonds are outstanding including SID 166 (JP Road) and SID 167 (Downtown Parking Facility).

RESOLUTION NO. 20-22

A Resolution of the City Council of the City of Whitefish, Montana, accepting and approving the municipal budget for the City of Whitefish for the 2021 Fiscal Year commencing July 1, 2020, in its final form.

WHEREAS, in conformity with the provisions of the Local Government Budget Act, § 7-6-4001, *et seq.*, MCA, the City of Whitefish, prepared a preliminary budget for the 2021 Fiscal Year commencing July 1, 2020; and

WHEREAS, at the lawfully noticed public hearing on June 15, 2020, the City Manager's proposed budget was reviewed and approved as the preliminary budget by the Whitefish City Council; and

WHEREAS, in order to adopt the 2021 Fiscal Year final annual budget and increase the amount of property tax revenues from the previous year as provided for in § 7-6-4030, MCA, the City scheduled a public hearing before the Whitefish City Council to be held at 7:10 pm on August 17, 2020; and

WHEREAS, prior to such hearing, notices of the type required by § 7-6-4021, MCA, were published twice in the *Whitefish Pilot*, on August 5 and August 12, 2020, as required by § 7-1-4127, MCA, in the Legal Notices Section; and

WHEREAS, at a lawfully noticed public hearing on August 17, 2020, the Whitefish City Council, conducted a hearing for the purpose of adopting the final budget for the 2021 Fiscal Year with an increase of 36.92 percent or \$1,167,342 in property tax revenues because of the increased taxable value of 49.64 percent from the expiration of the City's Tax Increment Financing District and newly taxable property, a decrease in the number of mills levied for the City's general levy, a decrease in the number of mills levied for the City's permissive medical levy, and a decrease in property tax relief from Resort Tax collections, received staff reports, invited public input and considered all written comments received prior to the hearing; and

WHEREAS, following the public hearing, the City Council determined it would be in the best interests of the City of Whitefish and its inhabitants to approve the 36.92 percent or

\$1,167,342 increase in the amount of property tax revenues and adopt the 2021 Fiscal Year budget.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Whitefish, Montana, as follows:

Section 1: The municipal budget for the City of Whitefish, Montana, for the 2021 Fiscal Year beginning July 1, 2020, as prepared and submitted to the City Council at its August 17, 2020, Council meeting, which budget is incorporated herein as if set forth verbatim, is hereby accepted and adopted as the final municipal budget for the City of Whitefish, Montana, as permitted by § 7-6-4030, MCA.

Section 2: The City Council hereby authorizes the appropriations contained in the final budget to defray the expenses or liabilities for the 2021 Fiscal Year.

Section 3: The City Council hereby establishes legal spending limits at the level of detail as contained in the final budget.

Section 4: As permitted by § 7-6-4031(1), MCA, the City Manager and/or the Finance Director are hereby authorized to transfer appropriations between items within the same fund.

Section 5: As permitted by § 7-6-4031(2), MCA, the City Manager and/or the Finance Director are hereby authorized to amend and adjust the annual budget appropriations throughout the budget period, as necessary, as provided in §§ 7-6-4006(3) and 7-6-4012, MCA.

Section 6: The City Clerk is hereby directed to certify a copy of this Resolution to the County Assessor and the County Clerk and Recorder of Flathead County, Montana, to be collected by the Treasurer, as provided by law.

Section 7: The effective date of this Resolution is July 1, 2020, the beginning of the City's 2021 Fiscal Year, upon its adoption by the City Council, and signing by the Mayor thereof.

PASSED AND ADOPTED BY THE CITY COUNCIL OF THE CITY OF WHITEFISH, MONTANA, ON THIS 17TH DAY OF AUGUST 2020.
