CONNECT WHITEFISH PLAN

Map 4 - Proposed Connectivity Projects

**CONNECT
WHITEFISH**

**BICYCLE &
PEDESTRIAN
MASTER PLAN**

CONNECTIVITY PROJECT PRIORITIES *

C1-C18 = Tier I Priority Projects (0-5 years)

Provide continuity of active recreation opportunities and connectivity between existing residential areas and downtown, parks and schools.

C19-C34 = Tier II Priority Projects (5-10 years)

Extend continuity of active recreation opportunities and increase connectivity between existing and future residential areas and downtown, parks and schools.

C35-C54 = Tier III Priority Projects (10-20 years)

Connect future development areas to pedestrian and bicycle facilities.

* Individual project numbers (C1-C54) are described in Chapter 3 of the Connect Whitefish Bicycle and Pedestrian Master Plan.

Wayfinding Signage

Proposed locations for directional and decision signage indicating direction and distance to popular destinations.

TOP WAYFINDING DESTINATIONS BY SURVEY RANK

RANK	DESTINATION	RANK	DESTINATION
#1	Downtown	#8	Smith Fields
#2	City Beach	#9	Les Mason State Park
#3	Depot Park	#10	Whitefish Middle School
#4	Riverside Park	#11	Armory Park
#5	Whitefish Community Library	#12	Whitefish Lake State Park
#6	Baker/Kiddie Park	#13	Whitefish High School
#7	Muldown Elementary School		

PROPOSED FACILITIES

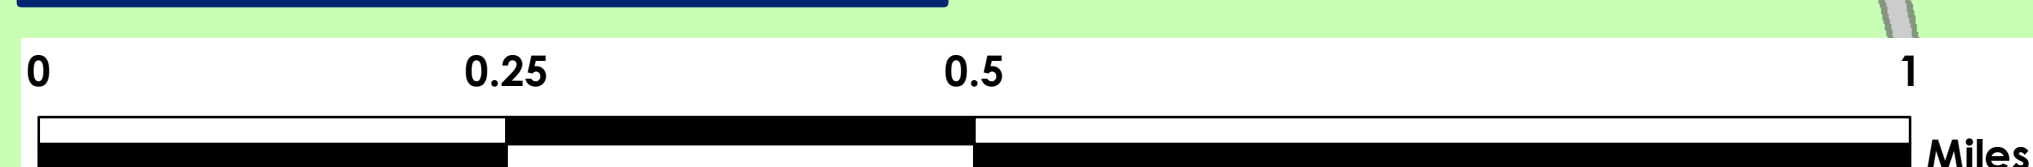

- W Wayfinding Location
- 23 Connectivity Project
- Shared Use Path
- Cycle Track
- Bike Lane/Bike Route
- Sidewalk
- Safe Routes to School
- The Whitefish Trail (future)

EXISTING FACILITIES
