

# CITY OF WHITEFISH

## E. 6<sup>th</sup> STREET RECONSTRUCTION PROJECT

PROJECT NEWSLETTER #2

OCTOBER 2024

PUBLIC MEETING #2 – OCTOBER 22<sup>nd</sup>, 2024

CITY HALL – 6:00 PM to 7:00 PM

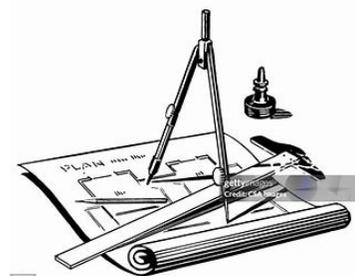

### PROJECT OVERVIEW

The City of Whitefish is planning to reconstruct East 6<sup>th</sup> Street, from Spokane Avenue to Pine Avenue, with possible additional sidewalk upgrades along Pine Avenue from East 5<sup>th</sup> Street to East 7<sup>th</sup> Street. The reconstruction project will involve the design and construction of approximately 1,780 feet of roadway and path design along East 6<sup>th</sup> Street and approximately 800 feet of possible sidewalk along Pine Avenue. The City has selected HDR Engineering, Inc. to complete the civil engineering and aid the City with project management, public involvement, surveying and geotechnical services. In addition to the roadway and path improvements, select utilities and drainages along the project path will also be improved along with decorative street lighting.

### MEETING AGENDA

The first public meeting was held in September and the design team is hoping to capitalize on the valuable feedback that was received. The City of Whitefish, in association with HDR Engineering, will host a second public meeting to provide residents with current project updates and gain additional comments. Presentation agenda overview as follows:

- A. Introductions / Project Team Overview
- B. Project Overview
- C. Public Meeting #1 Recap
- D. Preliminary Design Reviews
- E. Current Project Schedule
- F. Public Feedback & Discussion

## BE IN THE KNOW

Please refer to the following link as the best source for information regarding this project:
