

Online Composting Survey – 103 Responses as of November 2019 (12 responses recorded from 1 email address)

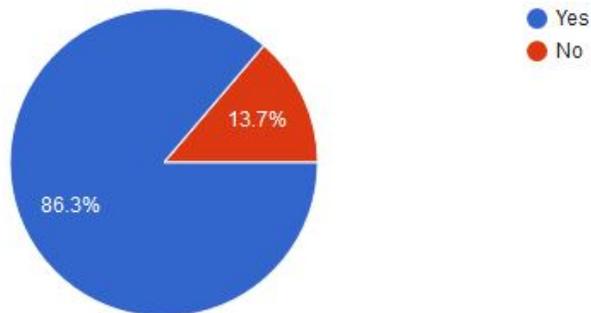

Do you currently compost at home?

100 responses

Would you bring your organic waste to a communal compost bin at the Recycling Center if one was available?

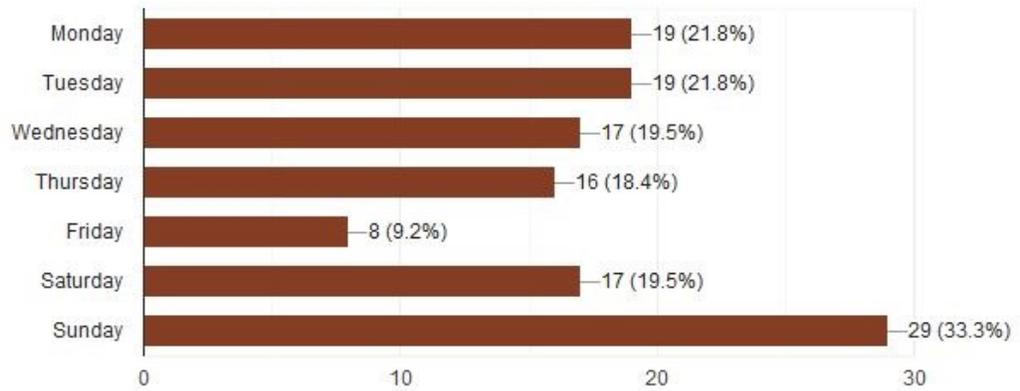

102 responses

Online Composting Survey – 103 Responses as of November 2019 (12 responses recorded from 1 email address)

If the communal compost bin was only accessible one day per week, which day would you prefer?

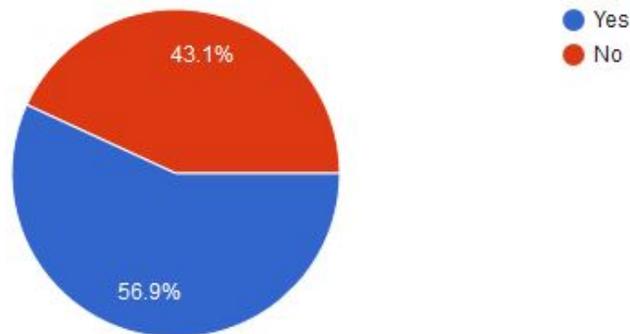

87 responses

Note: one respondent submitted 12 responses; she selected T, W, Th each time, so subtract 11 from each of those day totals.

Would you drop off your organic waste at a communal compost bin located in the Farmer's Market on Tuesdays if one was available?

102 responses

Online Composting Survey – 103 Responses as of November 2019 (12 responses recorded from 1 email address)

Are you interested in having organic waste collected from your home every week at a cost of \$30/month?
